Health Care Access is More Important Than Ever

Cindy has been a Huntington Beach resident for the past 10 years. As a medical assistant at a local doctor's office, she was anxious about being at work and seeing patients after she developed an upper respiratory infection (even though she had appropriate PPE and was practicing social distancing). She was tested for COVID-19 on the first day testing was being done at AltaMed Medical and Dental Group — Huntington Beach. Fortunately, for Cindy her test results were negative. She was so relieved and grateful for the amazing service and attention she was given that now she is a patient at AltaMed.

BECOME A SPONSOR

Since the tournament began 15 years ago, we have raised nearly \$1 million for over 100,000 families in our community.

Proceeds from the tournament directly support services provided by AltaMed Medical and Dental Group — Huntington Beach, a non-profit 501(c)(3). This clinic offers access to primary care, dental care, breast cancer screenings, prenatal and pediatric care, health and nutrition education, teen services, and insurance enrollment assistance. AltaMed Medical and Dental Group — Huntington Beach is a critical component of Orange County's health care system and provides over 53,000 patient visits annually.

Your direct support of this year's golf tournament fulfills our commitment to provide care for all who need it. With your help, we can improve the health and well-being of the underserved in our community.

How Your Support Helps

Your donation provides services and programs at AltaMed Medical and Dental Group — Huntington Beach. Services listed are representative of what our patients can expect.

The cost of each item, service, or program is an approximation, and will vary based on actual costs incurred and individual patient needs. Your donation will be used for the general operating needs of AltaMed Medical and Dental Group — Huntington Beach, where no family will ever be turned away for medical care regardless of their ability to pay.
